

OAK Orthopedic Sports Arena

September 2006

The summer sun is setting, the school bells are ringing, and we're falling into fun at the OAK Orthopedic Sports Arena!

The OAK Arena Learn to Skate Program wrapped up our summer by playing proud host to 2006 Olympic Figure Skater, Matt Savoie. The Olympian skated a private exhibition for friends and family, graciously opening the event to our Summer Learn to Skate students, families, and staff. Several students also had the honor of skating their short programs as apart of the show. Be sure to stop by the arena to see event photos now on display!

We are kicking off our fall schedule with Zamboni's 1st Birthday Party on September 9th & 10th! The festivities begin on Saturday at Noon with the Daily Journal taking on The Herald Country Market in the Media Match Up Curling Exhibition and don't miss your chance to try curling at the FREE Curling Open House Saturday night from 5:30-7:30! Family fun activities both Saturday & Sunday from 1-5pm include Public Skating with the first 100 skaters each day receiving a \$10 off program registration coupon, FREE Learn to Skate mini-lessons from our Figure Skating staff at the top of each hour, Bounce Houses compliments of Ups & Downs, Wagon Rides compliments of Country Fruit Market, Ultra Foods Zamboni Birthday Cake at our Bake Sale with proceeds going towards our Spring Ice Show, the Advanced Pro Shop Sidewalk Sale, and Snack & a Movie in the Upper Lobby on our NEW plasma screen TV! Pony Rides will be added to the fun on Sunday! You can also vote for your favorite name in our Name the Zamboni Contest! The winner will be announced at 4:30 on Sunday!

Our first session of fall classes begins on Monday, September 11th and welcomes the debut of the Practice & Play Hockey Program! This program is designed as a house league and teaches students concepts such as team play and rules of the game. Our Learn to Skate Program is also back in full force and hopes to add a Synchronized Skating Team to the schedule soon! Curling moves to Saturday nights from 5:15 – 7:15. Get your friends together and book a night of Curling!
